

A Space Tour Experience Company

ELEVATING SPACE TOURISM WITH UNMATCHED LUXURY

Experience Florida's Space Coast like never before with our exclusive tours. Combining personalized service, immersive storytelling, and cutting-edge experiences, our journeys redefine luxury travel at the forefront of space exploration.

Expertise

Galactic Medallion merges luxury with the awe of space exploration, delivering unforgettable, expert-led adventures.

Exclusive access: Insider tours of NASA's Kennedy Space Center and Q&As with space professionals.

Expertise on board: Collaborations with Michael Leinbach, ex-NASA Shuttle Launch Director, and Dr. Kirby Runyon, planetary scientist.

Luxury redefined: Gourmet meals, first-class lodging, and thrilling add-ons like helicopter rides.

Whether you're a casual fan or a space enthusiast, GM's immersive storytelling and insider access ensure you leave inspired by humanity's journey to the stars.

Travel isn't just getting from point A to point B...

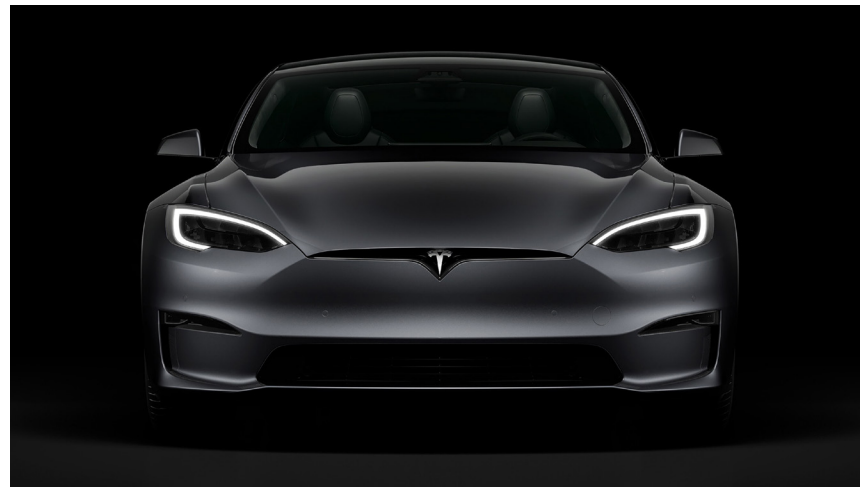

it's part of the **adventure**. With a focus on comfort and style, we elevate your journey to match the grandeur of our **space-themed experiences**.

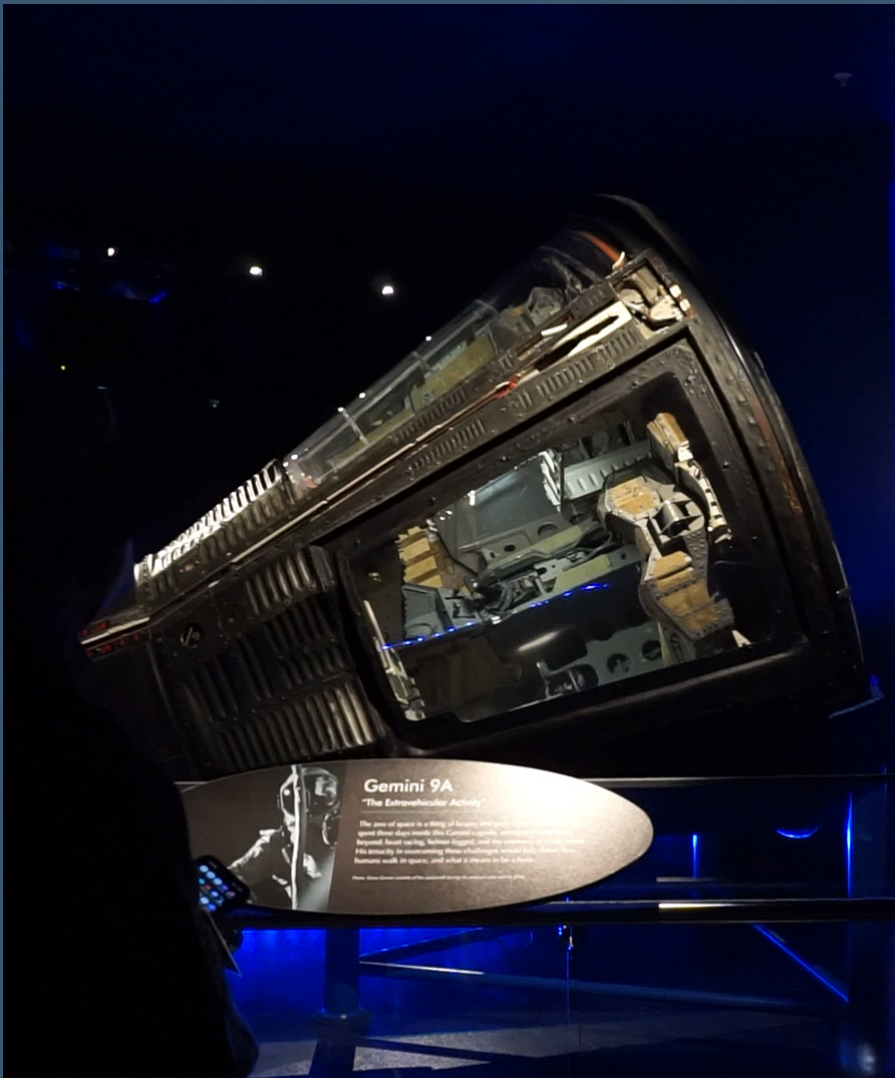

Helicopter Tours: Enjoy breathtaking aerial views as you soar above iconic landscapes and space facilities. Helicopter rides add an exclusive, awe-inspiring dimension to your journey, creating unforgettable memories before you even reach your destination.

Luxury Ground Transportation: Travel in sophistication with our fleet of premium vehicles, offering plush seating, climate control, and top-tier amenities. Every ride is a seamless blend of comfort and elegance, ensuring you arrive refreshed and inspired.

Whether cruising on the ground or soaring in the skies, Galactic Medallion makes every moment of travel a luxurious prelude to the extraordinary experiences ahead.

Prefer to drive yourself? Meet your concierge guide at the Kennedy Space Center for a tailored exploration.
